*Never has the Delaware County Sheriff's Office felt more appreciated than in the past few years! We have received numerous calls of support and visits by citizens of all ages, the faith community, scout troops, and many others. Some residents showed their appreciation through food — pizzas, baked goods; and others delivered homemade cards expressing their heartfelt gratitude. Our staff is humbled and grateful. As always, it is our honor to serve this community.*

*For more than a decade, the Sheriff's Office has provided coverage for the 459 square miles of the County by dividing patrol units into seven districts. In 2016, an eighth district was added, which overlaps the two busiest Townships — those with the highest call volumes. This enhanced coverage reduces the need to pull deputies out of other districts, thus ensuring all residents receive the coverage they deserve, regardless in what part of the County they reside.*

## Sheriff's Message

The morning after five officers were killed in Dallas, I asked my executive assistant to cancel my appointments for the day. I just wanted to spend the day riding in the field with our deputies. There was little discussion about what had happened, yet the mood among the deputies was somber. I wasn't surprised. Despite the tragedy and ongoing rhetoric in the national media regarding our nation's law enforcement officers, I simply watched as our deputies went about their jobs in a most professional manner. 2016 may have been a tumultuous year for law enforcement nationally, but I could not have been more proud of what our Office—your Office—accomplished.

I trust as you review our 2016 Annual Report that you will come to the same conclusions that I have reached during my five years as the Sheriff of Delaware County, Ohio. That our deputies, corrections officers, and support staff are committed to maintaining the banner as one of Ohio's finest Sheriff's Offices.

But we're not satisfied. Leadership within the Office is committed to improvement on all levels. Our desire is to provide quality service, both efficiently and effectively, to all those we serve. We work in a vibrant and fast-growing county and we believe that people are moving to Delaware County in record numbers because of opportunities and the quality of life. Your Delaware County Sheriff's Office will remain vigilant in assuring the freedoms we cherish in this great nation. Our vision should be your expectation: protecting people, their property, and their Constitutional rights.

*Sheriff Russell L. Martin, C.L.E.E.

*DCSO staff show their support of education and awareness efforts on behalf of domestic violence by wearing purple.*

## Vision

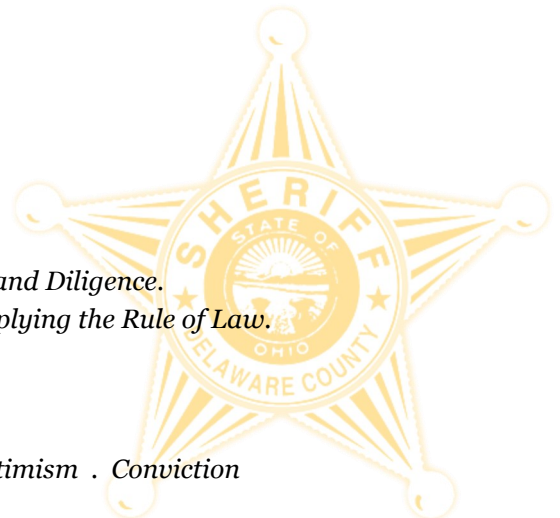

*Protecting People, Their Property, and Their Rights.*

## Mission

*Legitimacy through Protecting and Serving with Empathy, Competency, and Diligence.  
To be known as one of Ohio's finest by Upholding the Constitution and Applying the Rule of Law.*

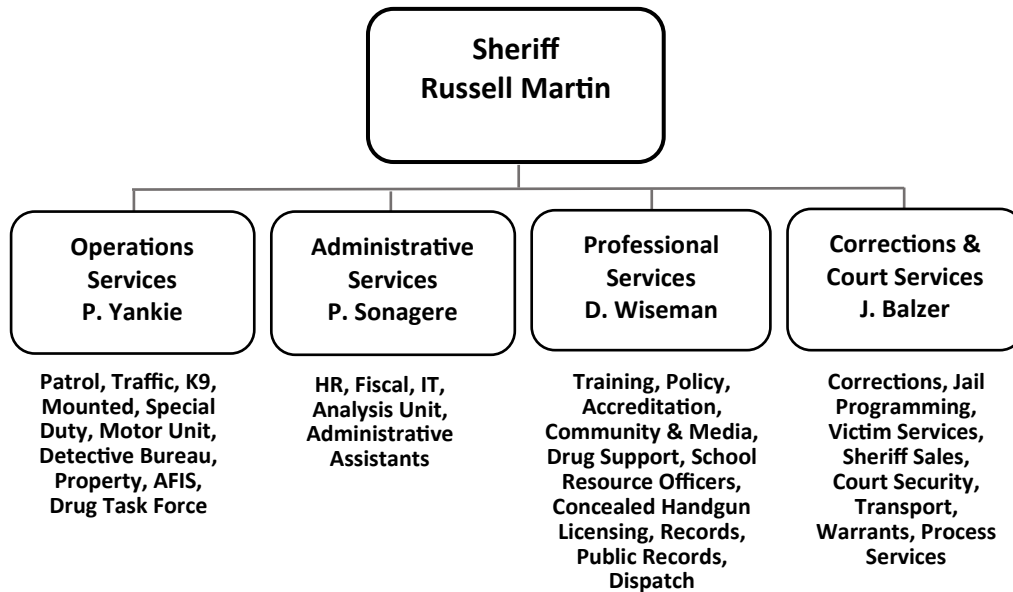

## Core Values

*Integrity . Courage . Discipline . Loyalty . Diligence . Humility . Optimism . Conviction*

To help address the community's heroin/opioid problem, a new partnership was forged in 2016 between the five public school districts, the Delaware-Morrow Mental Health & Recovery Services Board, and the Sheriff's Office. The result was the creation of the Delaware County drug liaison, who serves as a one-stop resource, providing education and prevention, treatment information, referrals, and assistance to any community member.

## Financials

The Delaware County Sheriff's Office is a tax-supported operation, with the majority of funding generated by local taxes. The Delaware County Commissioners allocate the necessary amount so that this Office meets the statutory requirements of a county sheriff's office. In addition, the Sheriff's Office budget is supplemented by several other funding streams, such as State and Federal grants, drug seizure funds, housing of federal prisoners, OVI court fines, and fees collected for the sole purpose of running the Concealed Handgun License program. The Sheriff's Office also contributes to Delaware County's general fund through other funding sources such as inmate charges, foreclosed property sales, and special duty cruiser fees, to name a few.
